#disciple We celebrated Child Mental Health awareness week by wearing green and exploring the theme “Finding Brave”. We invited our families into school to spend a morning learning with us. We held our second Rainbows day on the theme of Love, linking with the Year of the Word. Year 3 started the day with a child-led liturgy.

#disciple We created a human rainbow and busked for our families. Many families donated items for the Rainbows charity ships. Fr Mark led our Ash Wednesday Mass and those children at Ilam received the ashes, during a special night prayer.
