October 2021

#encounter

In October we celebrated the First Holy Communion of many KS2 children. Tristan's mum kindly made beautiful Prayer Bear bags so that Prayer Bears in KS1 and EYFS can travel safely to and from school. We marked World Mental Health Day and Show Racism the Red Card by wearing the colours green and red. We learnt about looking after ourselves and how we feel and thought about how beautiful and diverse our world is.

#encounter

At the end of our half term we raised awareness about food poverty and donated a massive Harvest offering to a local charity Doorways Derby. Our Chaplaincy Team collected donations and Year 2 prepared our Harvest Festival. It was wonderful to be together physically as well as spiritually.
