September 2021

#encounter

September was welcome back for many of us and welcome to our new children who are settling well into our family. Their arrival was marked at English Martyrs Church with our parish family. Gather and Pray is now able to take place with larger groups in the hall and less online so it was brilliant to have Father Mark in school for our beginning of the school year Mass, led by school staff.

#encounter

As we learn about the Domestic Church in RE we are gaining a deeper understanding of how we fit into God's family. It was great that every class how now received their new Let us pray together resource to help us to prepare liturgies for our classrooms, our school and beyond. We supported Macmillan through buying a drink and a biscuit.
