

#advent

#encounter

December 2021

#encounter Advent began, as we changed the liturgical colour to purple, we began our Advent act of charity, filling an enormous stocking with toiletries for Doorways Derby. The Christmas card competition had many entries and the winning design was delivered to our neighbours and to English Martyrs Church.

#encounter Nativity plays, Christmas art and Christingle making took place, helping us to all know and encounter Jesus, through the story of his birth. It was wonderful to extend our Christmas celebrations by inviting our families to enjoy us outside for nativities and our Carols around the tree. Father Mark and Year 6 helped us to celebrate together Christmas Mass before the term ended.
