

#lent

#discipleship

March 2022

#discipleship Lent began with a beautiful Mass on Ash Wednesday prepared by our Chaplains and celebrated by Father Mark. The Chaplains distributed the ashes to our school and parish community. Ann Neale, from CAFOD, led workshops on Catholic Social Teaching and helped us to launch our Lenten action for charity, WALK TO STAMP OUT HUNGER.

##discipleship Mr Lowson has worked with the Chaplaincy Team on our outdoor Prayer Area, Catholic Life and Collective Worship as well as leading class retreats to help us to understand what we are asked to do as disciples, especially during Lent. Our World Book Day focused on sustainability and we wore **green** and **blue** to form an image of our world.
