Dear Parents and Guardians,

RE: Exploring School-Led Wraparound Care - Your Input Needed!

I trust this letter finds you well. As part of our ongoing commitment to enhancing the overall experience for our students and families, we are excited to announce that we are considering the *possibility* of introducing our own school-led wraparound care program. This initiative aims to provide convenient and high-quality care for your child both before and after school hours.

To ensure the success and viability of this program, we need your valuable input. We have prepared a brief survey (<https://forms.office.com/e/mFwMWUjQ4p> or, scan the QR code below) seeking your thoughts and preferences regarding the potential wraparound care services.

Your feedback is crucial in shaping a program that meets the needs of our school community effectively.

Please take a few moments to complete the survey and return it by:

Friday 16th February

Your responses will play a vital role in helping us gauge the demand and tailor the program to suit the preferences of our parents.

Once we gather your input, we plan to present the findings to the Trust Board for their consideration and recommendations. We are committed to creating a wraparound care service that is not only convenient for parents but also affordable and offers great value for money.

If you have any questions or comments regarding the proposed wraparound care, please feel free to email them to admin@djf.srscmat.co.uk with the subject 'Wraparound Care'. We value your insights and want to ensure that we address any concerns or considerations that you may have.

We appreciate your active participation in this process, and we look forward to receiving your survey responses. Together, we can create a wraparound care program that enhances the overall well-being of our students.

Thank you for your continued support.
Yours sincerely,

Mr Ratcliffe
