

Dear parents/ carers,

While it has only been quite a short half term – it has been a busy one.

There are a few highlights in this letter!

Catholic Life:

Over the course of this half term classes have started to celebrate their class Celebration of the Words to the school – and to parents and family members. So far Years 3, 4 and 5 have all shared these – they have been lovely and they have been extra special as we have been able to share them with families. Please do check the dates of those which are coming up over the next half term.

This week it was Year 3's Celebration of the Word – and this was also our May Procession. The weather was kind, so we were able to start outside and process into the hall as a school.

This week some of the children in Year 3 will be celebrating their First Holy Communion at church – please keep them in your prayers.

Year 6:

Year 6 had their SATs tests last week.

As part of that the children had a daily breakfast club (including bacon and sausage cobs on Friday).

Despite all that we do to try and make these tests as stress free as possible – they do still feel different and we are really proud of the way Year 6 coped with the different week.

At the end of the week, they were rewarded with pizza (from the PTFA), cake and had their hoodies delivered.

After half term changes:

Miss Smith will be working in a more whole school role after the holidays and Year 1 will be taught in the mornings by Mrs Blurton (Monday to Wednesday) and Mrs Campbell (Thursday and Friday). Miss Smith will still be with the class on 3 afternoons per week.

In the mornings, all Year 2 and Key Stage 2 children will need to enter school via the gate at the far end of the car park and walk around the building. Older children will still be able to walk their siblings to EYFS and Year 1.

This is due to the garden spaces outside EYFS and Year 1 being increasingly used for learning spaces and being set up as such in the mornings. Members of the leadership team will be outside to support children going in the right directions as we all get used to this change!

Hope you all have a calm and relaxing half term – and the weather forecast telling us that it will rain all week are wrong!

God bless,

Graham Lobb
