

We want to improve lunchtime play

CAN YOU HELP?

School lunchtimes are often one of the hardest points of the day for some children – and we want to make the playtimes at St John Fisher better with the support of the donations made by our fabulous PTFA...

Donations of toys

Do you have at home – that your children no longer use...

Old dressing up clothes/ pushchairs/ trolleys

Small world play things

Bricks/ lego

Scooters

Old non-working small electrical items (the more buttons the better!!)

Kitchen items - (plastic bowls, plates, old pots and pans, utensils) – we already have mud kitchens on order...

Donations of time

Arte you able to help come in and help on a clean-up/ repaint of any of our wooden furniture?

Company contacts....

Do you work in the building trade? Or supply materials? Does you work support it's local community?

We want to build a very large sandpit so will need....

- Sand
- Sleepers
- Liner

We need the base for a large shed

Do you have skills to build us the base?

Can you help in another way we haven't thought of?

Contact admin@djf.srscmat.co.uk or pop in and see us if you can
