

Dear parents/ carers,

We have made it to the end of the school year.

I would like to say a big thank you from myself – and all the staff – for your support over this school year. We all know that St John Fisher is a special place – and by working together we maintain that.

### **Staff goodbyes:**

This time of year is always tinged with sadness as we do have to say goodbye to some members of staff.

To Mrs Badham – who has taught in EYFS since October. Thank you to your hard work with our youngest children and giving them the most wonderful first year in school. Good luck on the next step of your life's journey – whatever that may be!

To Miss Smith – who has taught in Year 1 and across school since November. Thank you for your work with all the children you have worked with over the year. Good luck in your new school in September. I hope you are very happy there.

To Leroy Aitcheson – Leroy has supported children at St John Fisher for many years. We may see him in the school in the future (I hope so) but we can't in the same way as we have in recent years. Thank you for the support you have given so freely to so many over the years.

### **School dinners:**

We expect there to be an increase on the price of school dinner in September to £3.40 daily. This is due to an increase in the cost of the service to the school. ParentPay will be updated accordingly in time for September.

If you receive any benefits at all it is worth applying to see if you are entitled to Free School Meals.

Details/ Applications are [here](#).

If you still have dinner money owing for this school year, please make sure this is cleared over the summer holidays. If this is not possible – please arrange to come to see me in the new school year to discuss this.

### **Uniform:**

A reminder that when we come back in September children are still able to wear their summer uniform – although if you would prefer they are also able to wear full winter uniform. Details of our uniform expectations are [here](#) on the school website.

Wearing uniform helps to embed the idea of belonging to the school family. Please do support your child by making sure they are in the expected uniform.

PE kits also need to be in school daily.

***Back to school:***

We return back to school for children on Monday 8<sup>th</sup> September.

I hope you are all able to have a restful and enjoyable summer holidays. I hope the sun shines on you wherever ever you may be.

I will keep all the St John Fisher families in my prayers over the summer.

God bless
