

Dear parents/ carers

Staffing update:

I have some lovely news to share with you.

Mrs Downing has let us know that she is pregnant – expecting her 2nd child. I know you will all join me in congratulating her.

She is due next March. Once I know more in place around covering of her maternity leave and exact dates, I will let parents know.

End of the school day:

A small reminder to all parents.

At the end of the day, please make sure you stand back from the doors to allow children to be safely dismissed into your care. Teachers will not open their doors and start dismissing until 3:20pm – so please wait in areas that will not be distracting to the classes once you get around from the gates opening.

Thank you for your understanding.

There will be a longer and fuller newsletter on Friday!

Yours sincerely

Graham Lobb
