

Dear parents/ carers

Welcome back to the final term of the year!

As I write the sun is shining and it is a lovely warm day.

Parent survey:

Thank you to all the parents who have filled in the survey so far. I will be sharing some of the comments in the next few weeks with you all.

One comment that has come up is more equipment for the children to play with at breaktimes – from this term each class now has additional equipment they can take outside to play with at breaks that has proved very popular.

We are still working hard to improve the range of equipment at lunchtimes too.

If you would still like to give your views – the link is [here](#)

Healthy Fortnight:

This is an exciting fortnight of activities that will end with our sports day in June.

We are in the process of finalising everything that will happen. Watch this space!

There will be other exciting sporting opportunities across school outside of Healthy Fortnight as well which we are in the final stages of arranging.

This will include a sponsored event for the PTFA (further details to follow very soon)

Lateness:

We are getting a large number of children late for school every day. Most of these are arriving only a few minutes late. Please make sure you arrive everyday by 8:50am at the latest to make sure you are on time for school. Thank you.

Uniform:

Please make sure that children are in uniform every day. They should also always have a waterproof coat and a water bottle.

Please note that hair should be tied back with small plain hair accessories that are either black, maroon or white.

Any earrings should only be a small stud not a loop. Children may wear watches – but not smart watches.

No other jewellery should be worn other than a small crucifix if they wish to.

Children do not need to bring in any equipment from home such as their own pencils/pens. All equipment for school is provided.

ParentPay:

Please log on to ParentPay and check whether there are any payments outstanding on clubs or trips.

If your child is in Year 3 or above and you would like to pay for the whole of this half term's school dinners (from Friday 1st May) the total cost would be: £51.00

The total cost for next half term would be: £129.20.

Paying in advance really supports Miss Willmott in the office as it does take time to chase up accounts that build up arrears.

Thank you.

Best wishes

Graham Lobb
